

Family Programs Annual Holiday Event

On December 3rd, the First Hawaiian team came together with Family Programs Hawai'i as one big ohana (family) to put on a huge party at the Neal Blaisdell Center. This annual event is a holiday celebration for foster keiki (children) and their families to enjoy a day full of entertainment, activities, food, fellowship, and individualized gifts from Santa! No better way to celebrate the season of giving than with great people for a great cause!
