

No-Sew Blankets at KIC Hana Hou

Fleece No-Sew Blankets are so much fun to make, and knowing these 100 lap blankets will be given to The ARC in Hawaii, Hawaii Children's Cancer Foundation, and The Children's Alliance of Hawaii made it so much sweeter to do! Our volunteers cut, tied, and folded these blankets to bring comfort, color, and cheer to others!

Hawaii Children's Cancer Foundation

Blankets given to the children who come to Oahu for treatment will provide them comfort and warmth.

The ARC of Hawaii

Made especially for their participants to enjoy, and with so many different colors and designs to choose from, we're grateful for the opportunity to share these blankets with The ARC of Hawaii.

The Children's Alliance of Hawaii

The blankets donated will provide each participant with a personal lap blanket to call their very own and to enjoy.
