

# Walk In the Country

On a starry and beautiful evening, our volunteers helped with the annual "Walk in the Country" event benefitting the Boys & Girls Club of Hawaii. They worked as food servers - plating pupus, desserts, and wonderful treats for the event. They also helped with the Silent Auction - clearing tables and replenishing items as needed.

It was a pleasant evening to help a local organization raise funds for their programs that benefit our keiki (children) in Hawaii.
